

Beckington Motors Ltd
Telephone 01373 830238 *Keeping you on the road since 1960*

Beckington Motors is a small family run vehicle repairs garage based in the centre of Beckington. Due to increased business levels we now have a vacancy for a Vehicle Technician available for immediate start.

Vehicle Technician Vacancy

The successful applicant will:

- Be a fully qualified technician with a minimum of 6 years experience.
- Qualified MOT tester.
- Must have experience in fault diagnosis, wiring diagrams, using various diagnostic equipment and interpreting the data.
- Must have a proven track record in solving problems with modern vehicle technology whilst demonstrating speed and accuracy with general repairs and routine servicing.
- Must work well un-supervised.
- Demonstrate good communication skills both within the business and with customers.
- Must hold a full UK driving licence with no penalty points to satisfy the terms of our insurance company.
- Preferably hold a CPC drivers qualification card.
- Preferably hold an air conditioning / refrigerant handling card.
- Hourly Rate: Competitive rates negotiable depending on ability & experience.
- Hour of work: 8am - 5:30pm Monday - Friday. Plus Saturdays 8.30am - 12.30pm on request and paid at overtime rate.

For more information and an informal chat please call Phil on 07808 912509 or 01373 830238 or email CV to jemma@beckingtonmotors.co.uk or post to Beckington Motors, Bath Road, Beckington, Somerset, BA11 6SW.
